

**Adzom Gyalse Rinpoche will teach Medicine Buddha
from Adzom Drukpa's *Secret Treasury of Vajra Luminosity*
of the Longchen Nyingthig Lineage, Nyingma School**

July 31 – August 2, 2018

"If one meditates on the Medicine Buddha, one will eventually attain enlightenment. In the meantime one will experience an increase in healing powers both for oneself and others and a decrease in physical and mental illness and suffering.

Although all the Buddhas have the same nature, each has a particular power. When we recite the mantra, rays of light emanate from the heart of the Buddha, like a hundred rising suns, curing all the diseases and obscurations of beings and even their causes. Through the power of this practice may all suffering and problems of beings be removed by the power of the Medicine Buddha."
