Adzom Gyalse Rinpoche will teach the Green Tara Terma (Revealed Treasure) of Adzom Drukpa. Tara is the *great Mother Liberator*, a female Buddha. *She frees beings from the fears, torments and sufferings of cyclic existence.* By paying homage, making offering and praising Tara, we learn to embody her through visualization in order to carry out her acts of inseparable wisdom and compassion for the benefit of all beings. (*Rinpoche's photo credit: Lopon Chencho Namgyel*)
